# DBT Beneficiaries of Central Schemes Under Fresh Review

Exercise, targeted by Dec, aims to update data ahead of Fin Comm cycle starting April

**Anuradha Shukla**

**New Delhi:** The Centre will conduct a fresh assessment and verification of households receiving direct benefit transfers under various central welfare schemes, including Ujjwala yojna, PM-Kisan, free food scheme, PM Awaas Yojna, Public Distribution System and others, by December.

This exercise aims to update beneficiary data ahead of the next Finance Commission cycle starting April 2026.

The exercise is done from time to time. This time the concerned ministry will perform a fresh Aadhaar-based know your customer (KYC) verification along with states to weed out any possibility of gap between states and centre's data.

Also there is a clear mandate to the ministry to ensure every beneficiary of the social welfare scheme has aadhar card and his bank account attached with

**Plugging Leakage**

Centre saved **₹3.5 L cr** by eliminating inefficiencies between FY15 and FY23

**Cancelled Over** 50 m duplicate, fake ration cards; saved **₹1.86 L cr**

**Elimination of** 41.5 m duplicate, fake or inactive LPG connections saved **₹73,443 crore**

**About 11.3 m** people voluntarily gave up LPG subsidy

**Removed 700,000 bogus** names under Mahatma Gandhi National Rural Employment Guarantee Scheme

**Removed 17.3 m** fake beneficiaries under PM Kisan scheme

aadhar card.

"While the process keeps on happening from time to time this will be a wider exercise," a senior official told ET.

Also during the KYC verification process done by each ministry will also seek a wider list of documents, including Aadhar of other family members or other information as decided by the respective ministry to suit

be done through the Aadhaar Enabled Payment System to ensure Aadhaar authentication, and not merely Aadhaar seeding," the official said, adding that all the future schemes from the next financial year has to be designed or modified accordingly.

The official said that the ministry will use the inputs during the verification to assess the intended impact and "tweak the scheme" wherever it is required or amend the criteria to avail the schemes accordingly.

For instance in FY 2025, around 22 million beneficiaries did not avail free grains for a period of 3 to 12 months.

"This means that either there is a gap or they no longer require it," the official added. "The effort is to make the schemes more efficient," the official said.

There has been more than ninety times increase in direct benefit transfers in just a decade from over 7 thousand crore in 2014. They has risen to 6.83 lakh crore in the financial year 2024-25.

ONLY A THIRD ACCEPTED OFFERS MADE BY COS IN FIRST TWO PHASES

# PM Internship 3rd Pilot Likely Soon

**Banikinkar Pattanayak**

**New Delhi:** The government will likely roll out one more phase of its pilot project in a month before launching an expanded version of the PM Internship scheme later this fiscal, people aware of the details said.

Given that internship offers finally accepted by candidates are only about a third of the those made by companies in the first two phases, the corporate affairs ministry recently

wrote to state governments, urging them to hold career counselling and awareness camps across their jurisdictions, along with executives of participating companies, to encourage candidates to take advantage of the scheme, one of the people told ET.

Various workshops, seminars and promotional campaigns, both online and offline, besides sensitisation campaigns at various industrial training and technical educational institutions are also being undertaken.

The ongoing second phase of

the pilot will likely conclude this week. In the first phase, only 8,700 candidates had joined, out of 28,000 who had accepted the offers.

In the second phase, companies made 72,000 internship offers to candidates until July 23, of which 22,800 were accepted by them, official data showed.

The final tally of those accepting the offers will likely go up to 28,000-29,000 in the current phase, the people said.

In the first phase that started

# CAs Flouting Limit for Number of Tax Audits to Face Penal Action

Our Bureau

**New Delhi:** The Institute of Chartered Accountants of India (ICAI) will initiate penal action against chartered accountants (CAs) if they violate its new tax audit limit guidelines that would be applicable from April 2026, its president Charanjot Singh Nanda said on Wednesday.

The institute had on Tuesday notified the guidelines limiting the number of tax audits that an accounting firm partner can take up in a year to 60. "These guidelines are not advisory but mandatory in nature. We won't hesitate to take action against those who violate these," Nanda told reporters.

As per extant guidelines, while a single CA operating on his or her own can undertake up to 60 tax audits in a fiscal year; a partnership firm, as a whole, is allowed to conduct audits up to the combined limit of all its partners. This often results in senior partners using the quota of their junior colleagues after exhausting their own limit. The new move aims to curb anticompetitive conduct.

The audit body on Wednesday joined hands with the Indian Venture and Alternate Capital Association (IVCA) and NSE IFSC, an arm of the National Stock Exchange (NSE), to bolster the country's financial alternative capital markets ecosystem.

# 2nd List of Solar Models & Manufacturers to be Published in 10 Days

Our Bureau

**New Delhi:** The government is likely to publish the 'approved list of models and manufacturers' (ALMM)-II that would prescribe the specifics and manufacturers for solar cells in India within the next 10 days, two people aware of the development said.

The list is used to mandate the use of locally made solar modules and cells to be used in projects. However, the ALMM list-II has not been published so far because "the installed solar cell capacity in the country was lower than demand" leading to ambiguity in the auctions.

ALMM list-I, which is currently applicable on solar modules, has worked like a non-tariff barrier and supported local capacity addition and halted imports. It prescribes the specifics and manufacturers in India that have been certified by the Bureau of Indian Standards.

# PNB Q1 Profit Slips 48%

**New Delhi:** Punjab National Bank (PNB) on Wednesday reported 48% decline in standalone net profit at ₹1,675 crore for the first quarter ended June as the lender migrated to new regime leading to higher tax expenses. The state-owned bank posted a net profit of ₹3,252 crore in the year-ago period.

Total income in the quarter under review rose to ₹37,232 crore, from ₹32,166 crore, PNB said in a regulatory filing.

The lender's interest income also increased to ₹31,964 crore, from ₹28,556 crore in the same quarter a year ago.

Net Interest Income increased to ₹10,578 crore from ₹10,476 crore in Q1 FY25.

During the period, operating profit of the bank hit a new high of Rs 7,081 crore, as compared to Rs 6,581 crore in the same quarter a year ago.

**NOTICE TO SHAREHOLDERS**

Sub: Transfer of equity shares to Investor Education and Protection Fund (IEPF) Authority.

This Notice is published pursuant to provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time ("the Rules").

The Rules, amongst other matters, contain provisions for transfer of all shares, in respect of which dividend has not been paid or claimed for seven consecutive years, in the name of the Investor Education and Protection Fund ("IEPF") Authority.

Adhering to the various requirements set out in the Rules, the Company has, so far, transferred all shares in favour of IEPF Authority, on respective due dates, in respect of which interim dividend for the financial year 2017-18 or before had remained unpaid or unclaimed for a period of seven consecutive years. The Company has, vide its letter dated 25.07.2025 communicated individually, the concerned shareholders whose shares are liable to be transferred in favour of IEPF Authority in November 2025, for taking appropriate action and submitting requisite documents to claim unclaimed dividend(s) before it is credited to IEPF account. Shareholders are requested to forward the requisite documents as mentioned in said communication to the Company's Registrar and Transfer Agent to claim the unclaimed dividend(s) on or before 16.10.2025. The details of shareholders whose shares are liable for transfer in favour of IEPF Authority are uploaded on the website of the Company at <https://www.powergrid.in/en/details-shareholders>.

In case the Company does not receive any communication from the concerned shareholders by 16.10.2025, the Company, with a view to comply with the requirements set out in the Rules, shall be transferring the unpaid dividend amount(s) and related shares to IEPF without further notice. Please note that shareholders can claim the transferred shares and dividend from IEPF Authority as per the Rules.

Shareholders holding shares in demat form are advised to promptly intimate/update any change in address, bank account, nomination etc. with their respective Depository Participants. Further, shareholders holding equity shares in physical form are advised to update KYC and other requisite documents in the prescribed forms available on the website of the Company - <https://www.powergrid.in/en/notice-shareholders-holding-securities-physical-form>

For any information/clarification on this matter, concerned shareholders may write to the Company at [investors@powergrid.in](mailto:investors@powergrid.in) or contact Company's Registrar & Share Transfer Agent: M/s KFin Technologies Ltd. (Unit: Power Grid Corporation of India Limited), Selenium Tower-B, Plot-31-32, Kachibowli, Financial District, Nanakramguda, Hyderabad-500032. Email: [einward.ris@gfintech.com](mailto:einward.ris@gfintech.com).
